BRIGG (H.M. FORCES)
WELCOME HOME FUND
(1944-1954)

Names of the 600 or so Men and Women of Brigg who served in The Armed Forces in World War II 1939-1945

Attached is the Complete Record of the names of the 600 or so men and women of the town of Brigg who served in The Armed Forces during World War II between 1939 & 1945.

The List, which includes the Name, Rank, Service Number and Name and Address of the Next of Kin for each individual, as well as The Roll of Honour, is the only known such record for this period of History of the Town and is a fitting and lasting tribute to remember all of those involved.

It has been collated from the original Wartime papers of **"The Brigg (H.M.Forces) Welcome Home Fund"** formed in 1944, which are which are on loan to Brigg Heritage Centre.
The List of Names has now been transcribed to be readily available on-line as a valuable aid to those researching Family History and Relatives and those interested in the Town's past.

Briefly, **"The Welcome Home Fund**" was formed by a Committee of townspeople from Brigg in February 1944 to raise money to:
"….provide a reception to Members of His Majesty's Forces who live in Brigg when they return home at the cessation of hostilities….."

The Fund's collecting was to be restricted to the area of Brigg UDC and the initial Target in 1944 was set to raise £1,000 (equivalent to approximately £58,000 today).
However, after an unpromising start, 2 years later by February 1946 when the fund raising ceased, the amount raised had more than doubled to the total of £2,101.14.6d (approx.£119,000).
The Town's population was around 4,000 at the time.

This impressive amount raised enabled several Receptions and Dinners with entertainment to be given at The Angel Hotel during 1946 for the returning servicemen and women. Importantly, in addition, a cash sum of £3 (£175) was distributed to each person on the List together with a personal Scroll recording:
"Grateful Thanks from The People of Brigg for Services Rendered whilst a Member of His Majesty's Forces during The War 1939-1945".

The remaining cash balance was used to give financial assistance to those in need on the List and this continued on a regular basis until the Fund was formally closed on 28th February, 1954.

A separate article is available containing extracts from the original complete set of papers. This includes details of the formation of the Fund and Committee in 1944, its Meetings, Accounts, Correspondence, and the organisation of the many Fund Raising Activities in the Town and the contributions of those involved.
It gives a snapshot of the events in the town at the time of its support of The War Effort.

Following are the Names of the 600 or so Men and Women of Brigg who served in The Armed Forces in World War II 1939-1945 together with The Roll of Honour.

Note
The List of names on the following 17 Pages is in 2 Sections, split between **"Personnel Still Serving"** (pp. 1-12) and **"Personnel Discharged"** (pp. 12-17) as at 3rd January 1946.
The Roll of Honour is on pp. 17 & 18.
The Names are principally listed in Alphabetical Order but also include Names at the end of the Sections in random order.
