Waters' Edge Visitor Centre & Country Park

Barton Upon Humber

DN18 5JR

The Waters' Edge Country Park and Visitor Centre is located next to the Humber Bridge, on the waterfront at Barton upon Humber. Our park is home to rich and varied wildlife – including many rare and migratory birds.

Suitable for all ages.

What we Offer:

Waters' Edge Country Park is set in 110 acres of picturesque woodland, wetland, and wildflower meadows, split over two sites. Popular activities include Pond Dipping!

Interactive displays throughout the centre, themed around the wildlife of the estuary and the effects of climate change. The displays explore sustainability and how to be 'Green'.

The first 86 acre site is home to the visitor centre. It includes:

- Two Sites of Special Scientific Interest (SSSI).
- Eight ponds.
- Native woodlands.
- 4 Walks around the park varying in length - Reserve walk, Wetland walk, Woodland walk and Humber Bridge walk.
- An adventure playground.

The second site is located across the Haven, at the Humber Bridge viewing area and is home to our iconic Humber Bridge walking route, wildflower meadows and woodland.

Facilities:

Parking on site and space for coach parking
Storage for belongings with prior notice.
Education room (subject to advance booking).
Picnic area - can accommodate large groups.
Café on site - can accommodate small numbers, please call in advance to check availability.

Why Choose Us?

- Wheelchair accessible
- Adult changing places facility
- Activity sheets and spotting sheets available
- Education spaces
- Interactive displays throughout the centre

A lovely place to have a walk and look for wildlife in the pools, estuary and woodland. Discovery Centre is informative.

Wendy Bruce Painting

Waters' Edge Visitors Centre or School Location

W. Bruce Painting is all about bringing ideas to life and creating bespoke projects which are going to inspire and develop any curriculum area. Murals, Art based classes and workshops at Waters' Edge are all activities I offer.

I aim to enable pupils to be creative, explore new techniques and play a part in creating something really special.

Suitable for ages 7 - 16.

What we Offer:

Teaching available Monday - Friday for 15 participants for a half or full day.

About Me:

I taught Art and Photography to 11 to 16 year olds for 23 years in a school in Bury, during this time I worked alongside the local Primary Schools, often going in to deliver Art based projects and creating murals for them and with them. I also provide Art wellbeing and therapy sessions for all ages in the local community. For the last 4 years I have been freelance and have been working as a mural artist as well as delivering art workshops. I have a full DBS check which I renew yearly and also have business insurance which includes teaching.

What I Offer:

Wendy can offer a variety of projects, mural ideas and packages which can either be determined by a school ethos/chosen theme or written for them. Workshops can be delivered in your own classroom or at Waters' Edge Visitors Centre and are suitable for Primary and Secondary students.

Alternatively students can design a bespoke mural for their school, which pupils can design and paint with Wendy or which can be designed by the students and painted by Wendy.

For each activity, educational resources will be provided using Wendy's previous teaching experience and understanding of what is required at KS3 and KS4.

Why Choose Us?

- Can adapt activities to meet your school or groups needs.
- Meets national KS3 and KS4 curriculum.
- Workshops can be taken to school location.
- Fully insured for tutoring and DBS.
- Workshops can be delivered at Water's Edge, Barton Upon Humber - which includes use of onsite facilities.

"Lovely to learn new techniques, really enjoyed Wendy's class"

...

"Excellent, very clear and helpful tuition, supportive and encouraging, would love to do more"

Wilderspin National School

Barton Upon Humber

DN18 5QP

Samuel Wilderspin's Infant School room & Playground are at the heart of our Museum and the focus of THE WILDERSPIN STORY.

The Museum is the only restored Wilderspin school and playground in the world

Suitable for KS1 & KS2

What we offer:

Our Victorian school has unique links to Samuel Wilderspin, one of the founding fathers of modern schooling and pioneer of infant schools across Britain. Children can experience a Victorian school or a 1940s wartime classroom, become archaeologists in a Science session, or learn about early photography and the use of school photographs in History.

Here's our current programme:

- Up in the Gallery (KS1) – a gentle role play session which replicates a day in the Victorian Infant School for our younger visitors.
- History Underfoot (KS1) – a science-based session where the pupils become history detectives and examine archaeological clues of school life in the past.
- Eyes to the Front (KS2) – a role-play session in the National School Classroom where pupils can feel for themselves what school was like in Victorian times.
- The Camera Never Lies (KS2) – a hands-on session exploring the infancy of photography and the value of picture evidence of Victorian school life.
- Wartime Schooldays (KS2) – a role-play session in which pupils pretend to be evacuees to Barton where they'll be billeted and experience classroom life in the 1940s classroom.
- Churchill's Cogs (KS2) – a hands-on session exploring life on the home front and the role of children in Civil Defence.

Sessions last ninety minutes and can accommodate up to 35 children.

Facilities:

Parking - Easy coach drop off and pick - up

Cafe on site and Lunch room.

Pre-bagged souvenir shop.

Playground suitable for break times.

Level access, accessible toilets and a lift in Joseph Wright Hall.

Why Choose Us?

- Meets the national curriculum.
 - Discount if combining second session.
- www.wilderspainschool.org.uk/eyes-to-the-front/

Wilderspin is very much a hands-on museum where you can relive the past in the classroom and schoolyard and children can dress the part.

Go Ape

Normanby Hall

DN15 9HU

Hello. We're Go Ape – the outdoor adventure folk. We love nothing more than encouraging others to live life more adventurously in the fresh air.

Tucked away in the grounds of a 300-acre estate, you can find us in Normanby Hall Country Park.

This classic English mansion is 5 miles north of Scunthorpe, North Lincolnshire.

It plays host to two of our high rope's experiences - catering for those aged 4 to 104. Think wobbly crossings, tree-to-tree obstacles and super-fast ziplines all above in the forest canopy. That's us.

Min height 1m no age restriction if the height is met.

What we offer:

Treetop Adventure is our one-hour experience aimed at kids and young families. Treetop Challenge is for those over 1.4 metres tall and is 2-3 hours of high wire obstacles and zip lines.

Go Ape is an immersive outdoor experience that is ideal for groups of all sizes, ages and abilities. There have been numerous studies into the benefits of outdoor experiences positively impacting a young person's development. Including improvements to mental health and well-being, deepening nature connection, and promoting more inclusive and engaging learning.

Our outdoor experiences enable self-discovery, problem-solving, teamwork, better communication and confidence building opportunities. With age-appropriate activities for 4-16-year-olds, including ground-based games, a trip to Go Ape will live long in the memory - of pupils and teachers alike.

Facilities:

- On-site parking for cars and coaches.
- Gift Shop
- Kids play area
- On-site toilets
- Cafe and picnic areas available.

Why Choose Us?

- Learning resources available: <https://goape.co.uk/groups/schools/downloads-page>
- We offer an educational price for schools!

"All of our group took part and conquered many fears about height. Our young people were joyful and also helped each other with top tips on how to complete certain sections. It was a great team building and resilience opportunity"

The Pink Pig Farm

Holme Lane,
DN16 3RE

What 3 words: (garage.lonely.joke)

A family run farm based in the heart of North Lincolnshire. We have passion for all we do here and are dedicated to delivering the best of British farming, through a sustainable and authentic approach.

Suitable for Primary school age.

What we offer:

Offer available Monday - Friday, 10am - 2pm. Suitable for up to 100 participants.

The Pink Pig Farm is a working farm and the children will get to see and learn about a real farm including machinery, grain sheds, animals and crops. They will learn about growing and where food comes from by seeing the real crops in the field. After lunch children can play on the wide range of outdoor play and visit the animals on the animal trail.

Large schools / groups (over 40 children) are encouraged to visit us on a Tuesday or Wednesday when we are closed to the public. Smaller groups can be accommodated on any other week day.

Bookings for the larger groups when the farm is shut, are the most popular dates and we would recommend booking by September/October for the year following.

We also do special school sessions for October including pumpkin carving and potion making and Santa visits for Christmas.

Facilities:

- On site parking - coach parking available.
- Storage for belongings.
- Onsite classroom.
- Outdoor picnic area and cafe on site.

Why Choose Us?

- One teacher goes free with every 5 children.
- Plenty of parking.
- Activities can be adapted to school curriculum.
- Sustainable farm.
- Itinerary and risk assessments provided.

www.pinkpigfarm.co.uk/school-visits

'This is the best day ever' as said by numerous children during our trip to Pink Pig Farm. The children particularly enjoyed feeding the goats, sitting inside a real tractor and exploring the outdoor play area.

Thank you for an amazing trip.

Messingham Zoo

Messingham
DN17 3PN

The primary aim is to offer something different to larger zoos and wildlife parks by focussing on close up encounters with smaller, friendlier animals. Education forms a big part of what we want to deliver, teaching about animal care and welfare.

Suitable for all ages.

What we offer:

School and Group Visits:

As an attraction with a strong focus on education in terms of animal care, Messingham Zoo are looking to offer group bookings for Schools and other large parties. School and Group visits are scheduled for Wednesdays and Thursdays in 3 hour slots. Minimum booking of 15 visitors applies.

A dedicated keeper will take the students around and talk all about the animals, answering any questions. This can be arranged to suit lesson plans and subjects. With hands on interaction with a variety of smaller animals and the chance to hand feed others. Small groups can be taken into the pigs, where you'll get to interact with our friendly girls and hand feed our ring-tailed lemurs.

Included in the price is a drink and biscuit break half way through and a quiz or colouring competition.

Facilities:

Tea room on site / Picnic area.

Gift shop.

Toilet facilities.

Parking onsite: limited parking for larger vehicles - please arrange before you visit.

Wheelchair accessibility - the site has been designed to be suitable for all access needs including wheelchair users. Paths are all smooth with little to no gradients.

Wash stations are also wheelchair friendly.

Why Choose Us?

- Small conservation area for native wildlife.
- Quizzes supplied for the students to fill in and a couple of prizes given!
- Light refreshments are included in the cost per head for Schools and Groups
- Wheelchair friendly site.
- Free entry for bus drivers.
- Educational resources are available on site via QR codes.

Everything from start to finish was amazing. The interaction between zoo keepers and public was welcoming and educational. To be able to touch some of these creatures was indeed a privilege.

Lovely shop and cafe at affordable prices whereas in some bigger establishments you need deep pockets. The pot of tea was a joy.

What they are doing here is a credit to the owners and staff. The atmosphere is so relaxing.
Keep up the good work, I will be back

Epworth Old Rectory

Epworth
DN9 1HX

Epworth Old Rectory is open from April to October. All are welcome to visit and explore this wonderful house and its gardens. Explore the house with one of our knowledgeable tour guides, learning about the life of the Wesley family when they lived here in the 18th century.

Open for visits on Tuesday, Wednesday, Thursday.

Suitable for KS2 School and groups of all ages.

What we offer:

Through a fun and interactive schools programme pupils and teachers can learn about the Wesley family. Pupils will be transported back in time by dressing in 18th century clothing. Susanna Wesley, mother of the Wesley family, will become their teacher for a day. Be on your best behaviour, Susanna will not tolerate naughtiness!

We offer a full day's programme of activities for up to 30 children in years 3, 4, 5 and 6.

The children can participate in three activities:

- 1) Guided Tour as Wesley Detectives.
- 2) Susanna Wesley's Home School - pupils will be taught around the kitchen table, just like the Wesley children were, and can dress up in historic clothing.

Schools can choose a third activity in advance of their visit:

- 1) Plant Detectives in the Physic Garden and making a comfrey poultice.
- 2) Shock Pots and Loving Cups - pottery activity.
- 3) Learning about Portraits - learning about portraits and drawing a classmate.

Facilities:

"The children all enjoyed the whole experience. It really brought the era back to life with the actors and actresses dressing up. Indeed, they are still talking about it. They learned much about the herbs, fruits and flowers that Suzanna used to help with various ailments. They liked writing in copperplate (Victorian writing), learning some of the Greek alphabet and listening to Suzanna's stories about her children. Most of all they enjoyed the tour of the house and discovering more about the ghost 'Old Jeffrey' On a scale of 1-5 we would give it a 5 for learning experience and for being enjoyable."

The Trolleybus Museum

Sandtoft

DN8 5SX

THE
TROLLEYBUS MUSEUM
at Sandtoft

The trolleybus museum at Sandtoft has the largest collection of preserved, working trolleybuses in the world. We have weekend open days from the end of March to the middle of November.

The museum has a fifties theme based on the halcyon days of the trolleybus in the UK.

Suitable for ages 4 +

What we offer:

Offers available Wednesday and Fridays. With support 40 participants is an ideal size to accommodate (larger groups can be accommodated upon request).

The museum can provide trails and treasure hunts in consultation with the school/group.

Classroom packs are currently being developed for schools - availability will depend on available volunteers.

Length of the visit/activity will depend on the needs of the group/school which is devised specially for each group visiting and their needs.

Facilities:

Adequate parking available at the museum for both cars and coaches.

Storage facilities on site.

Cinema on site which can double for a classroom (limited to 25 participants.)

All facilities are accessible.

We recommend a visit to the museum well in advance of the visit to look at facilities and meet the schools co-ordinator to discuss requirements.

Why Choose Us?

- Visits can be organised/adapted to meet the school curriculum at all key stages.
 - All teachers and helpers are free.
- <https://sandtoft.org/wp/accessibility/>

A great time out and all due to the friendly knowledgeable volunteers that run it.

Highly recommended.

Scawby Hall & Gardens

Scawby
DN20 9LX

Scawby Hall

Scawby Hall is a Jacobean manor house situated in the farming village of Scawby. It was built by the Nelthorpe family in 1605 and they still reside there. The house contains many fine pieces of art and furniture including several paintings by George Stubbs.

Suitable for all ages.

What we do:

Group offers available Monday - Friday and can accommodate up to 40 in Scawby Hall and 100 in the gardens.

House tours and garden tours take between 1-3 hours.

The activity can also be taken to the classroom.

Tours can be tailored to your needs - whether you want the children/group to have a nature experience in the garden or a more historic or artistic experience in the house.

Please get in touch about your visit today.

Facilities:

On site parking - coach parking also available.

Picnic area on the grass.

Disabled access and toilets.

Why Choose Us?

- Activities can be adapted to the students level of interest.
- Activity sheet provided.
- Group deal available.

Interesting afternoon. Beautiful gardens and a house offering so much ancestral and artistic history. The guide was friendly and let us view the house in our time. Full of a wealth of facts and stories of famous visitors. We were sad to leave.

Police and Forensic Science Workshops

School or Group location

Experienced police detectives run this highly interactive day and bring challenge and fun into the classroom.

Suitable for 7 - 11 (Primary) & 12 - 19 (Secondary/College)

What we offer:

Available for one full day (option of bespoke) and suitable for 30 participants per workshop.

Primary School: Police Investigation and Crime Science Training for School Children.

Children are guided through a set of practically based scenarios demonstrating how science aids an investigation and how their classroom based learning facilitates this. They look at searching, deprivation of liberty (arresting) and DNA, and the day concludes with the investigation of a "real" grizzly death where all of their skills are brought together.

Primary: <https://zakon.co.uk/courses/course/police-investigation-and-crime-science-training-for-schoolchildren>

Secondary School: Criminology: Crime Scene to Courtroom.

This fantastic day sees students examine a crime scene, investigate a murder based on a real-life case and end up in the fight of their life presenting the evidence in a mock courtroom trial, all from within the comfort of their own school!

Secondary: <https://zakon.co.uk/courses/course/secondary-school-forensic-science-and-courtroom-workshop>

Why Choose Us?

- Workshops are delivered on site to your classroom / group space - to your school timings.
- Meets national curriculum.
- Free resource library.
- No need to provide materials - everything needed to run the workshop will be provided.
- Discount for two or more consecutive workshops/days booked.
- Students leave with a range of forensic items and certificates.

"It was great to see the links between what they learn at school and where it can take them, for some of our budding scientists in particular. Phil (from Zakon) commanded the children's attention for extended periods of time, I take my hat off!"

Smudges Adventures Literacy Workshops

School or Group
location

Literacy workshops with author Jane Keightley - an award winning author and Literacy Champion with the National Literacy Trust.

Suitable for KS1

What we offer:

Available from Monday to Friday and can do individual classrooms and/or an assembly.

What we do:

Book a literacy workshop for your school with author Jane Keightley. Jane will read 'Blast Off to Planet Fun!' and/or 'Jamming in the Jungle' to KS1 children either in their classroom or in an assembly.

The children will then have the opportunity to ask questions and complete activity sheets and creative writing prompts to enhance their learning. Jane delivers the books in a 'story sack' style to engage the children and make the sessions fun.

Activity sheets and creative writing prompts will be sent to the school in advance for children to enjoy and reinforce their learning.

Jane also offers workshops with the following:

Lion Learners where children have the opportunity to hold jungle animals to bring the words to life.

Lab Rascals where the children enjoy a 40 minute planetarium show.

Tom Butcher where the children spray paint Smudge and planets/animals onto an outside wall or boards to mount in school.

Details can be found on the next page.
